

Amendment to Meeting Minutes of November 16th, 2023, for consideration by the Board of Supervisors

Unofficial Meeting conducted on November 3rd, 2023- The Board convened informally on November 3, 2023, at 9:00 am @ UF/IFAS 5339 County Rd 579, Seffner, FL 33584.

Board members in attendance were Ryan Gill (Chair/District 2), Adam Young (Vice Chair/District 3), Myke Morris (Treasurer/District 4), Supervisor McCullough (District 1) and Supervisor Proctor (District 5).

An informal meeting was held on November 3rd, 2023, which was inappropriately referred to as an “Emergency Meeting” in the November 1st, 2023, Meeting Minutes. The informal meeting was convened for the singular purpose of interviewing one of the three remaining candidates for the executive director position. One candidate had requested a postponement of their interview based on a scheduling conflict, and the Board agreed that it was essential to interview this 3rd candidate. Consistent with Florida Government in the Sunshine requirements, there was no Board discussion of the candidate pool, no votes were taken, and no other business was conducted.
